

Minutes from the Louisiana CURE General Meeting..... January 12, 2016

The meeting began with a moment of silence. Afterwards, President Checo Yancy then thanked everyone for the report he received during his recovery from his illness.

Next regular session of the legislature is scheduled for Monday, March 14. (A special session was called to begin on Sunday, February 14, 2016 to address the state's deficient.

The annual La. CURE legislative workshop is scheduled for Saturday, February 27th in the regular meeting room at the Catholic Charities building.

Checo wanted everyone to be made aware that he is not able to carry as much of the load to prepare for the workshop as in past years and was seeking volunteers to assist.

Secretary Jay Jackson mentioned that he will be unable to attend the workshop and Linda Duscoe offered to take the minutes.

A suggestion was made by Jay for everyone to get ready to write letters to their legislators and to be made aware of all of the new members this year.

It was mentioned that we look for an "intern" to help with communications.

Next meeting is on the THIRD TUESDAY in February due to Mardi Gras falling on the second Tuesday.

A discussion was started about the new make-up of the Pardon & Parole Board.

Next scheduled meeting is Tuesday, February 16, 2016 at 7 PM.

Respectfully submitted,

Jay Jackson,
Secretary
