**LET'S KEEP THE BALL ROLLING**

In Support Of:

a moratorium on prison construction except to replace outdated facilities \* eliminating prisons for profit \* the reform of sentencing laws \* alternative sentencing options whenever possible \* enhancing prisoner-family relations \* encouraging formerly convicted individuals in being positive, contributing members of the community \* improving access to addictions treatment in and out of the prison system \* training in conflict resolution and anger control \* meaningful job training and education for prisoners and others involved in the criminal justice system \* Restorative Justice as a way to address the needs of victims, offenders and the community \* compensation for crime victims and victims of the criminal justice system \* abolishing the death penalty \* the right to vote, nationwide, for former prisoners and probationers

It takes courage to work to change the criminal justice system.  
It also takes support from people like you!
